This is an ongoing, educational seminar, providing information useful at all levels of participation in tracking: student, instructor, judge, and club. A lunch break is planned for mid-day, with a short morning and afternoon break. Drinks and snacks will be provided. Bring your own lunch or pre-order from supplied menu. Location and directions provided as we get closer to seminar date.

General Discussion includes:

- What clubs need to know about holding tracking tests
- Applying to Judge
- Judges Responsibilities
- Club Responsibilities
- Tracking Regulations TD, TDU, TDX & VST
- Plotting and Judging TD, TDU, TDX & VST
- Miscellaneous topics of interest

Make checks payable to: PAFTA, Inc.
