

Palo Alto Foothills Tracking Association, Inc.
Membership Application

Please see our website at <http://www.pafta.org> for information regarding the club's purpose and events. Our events are put on through the combined efforts of PAFTA's members. Thus, it is important that all members contribute in some manner by performing duties and accepting assignments to work at our club's events. If you would like to support PAFTA, but are not able to attend meetings, you can apply for associate membership, which does not require attendance at meetings and provides all of the membership benefits, BUT is non-voting.

1. Complete this form and obtain the signatures of two current PAFTA members. An initiation/application fee (\$10.00) and one year's dues (\$20.00 per individual or \$30.00 per family [2 individuals]) must accompany the application. For Associate members, please submit the \$10.00 initiation fee and one year's dues (\$20.00 per individual or \$30.00 per family). If you would like to submit payment by Zeffy:

2. Once you submit your application, watch for an e-mail acknowledging receipt. You will receive information regarding the next PAFTA meeting and other important information. The application will first be presented to the Board. If accepted by the Board, it will be read at the general meeting immediately following the Board meeting. At that time, a vote will be taken to determine if the applicant has been accepted into membership. To gain membership the applicant must receive an affirmative vote of 3/4 of the members present and voting at the meeting.

NOTE: Unless applying for associate membership, Applicants must attend at least one general meeting during which their application is read in order to be accepted for membership in PAFTA. Applicants are invited and encouraged to attend all PAFTA activities and general membership meetings. Board meetings are for PAFTA members only (applicants may not attend). Board and general meeting dates are posted on our website: <http://www.pafta.org/events.htm>. If you have any questions, please don't hesitate to contact Kamrin at kamrin01@gmail.com.
