Judging Program

Thank you for your entry in the PAFTA TDX test on Sunday February 24, 2019. There were 8 entries received for the test (including two eligible for the separate workers draw for one of the tracks). The first dog drawn in the worker draw got in, and the remaining worker draw dog was thrown into the regular draw with the rest of the non-worker draw dogs. Teams 101-105 are in the test. Teams numbered 106-108 are alternates.

An Alternate may decline being placed on the alternate list and shall have his/her entry fee refunded. Please contact the Test Secretary as soon as possible to decline as an alternate.

All dogs and handlers must be at the Rangers Station, Coyote Creek Parkway, Morgan Hill CA by 9:00 A.M. Sunday, Feb 24, 2019, at which time there will be a drawing to determine the running order. Entrants not present at the time of the drawing will be marked absent. And an alternate will be allowed to run in their place. Judging will begin when the tracks are sufficiently aged.

Bitches in season may participate in this test with prior notice to the Test Secretary and provided that all provisions of Chapter 2, Section 8 of the AKC Tracking Regulations are complied with.

We remind you that ticks are endemic in this area and you are advised to take precautions to protect yourself and your dog. We also suggest that you bring a chair for yourself and shade for your dog in the event that it is a bright sunny day.

At the conclusion of the test, all participants and spectators are invited to stay for presentation of awards to passing dogs. We will also be offering a potluck for lunch for anyone who wants to stay and eat.

We look forward to a very successful test for all entrants and wish you the best of luck.

Sincerely,

Karey Krauter, TDX Test Secretary

Name of Club: PALO ALTO FOOTHILLS TRACKING ASSN (PAFTA)

Date: 02/24/2019 Judge: PIA PAULSEN (90983)

Scheduled Drawing Time: 9:00 A.M. Total No. Dogs to be Judged: 5 PLUS ALTERNATE

PROCEDURE FOR JUDGES TO FOLLOW

For each dog entered, a separate track shall be plotted by one or both Judges for a TD or TDU tracking test, by both Judges for a TDX and a VST tracking test. The tracks shall be plotted at least the day prior to the test and marked by flags that the tracklayer can readily follow on the day of the test.

A set of charts consisting of one original and three (3) copies of each track shall be prepared by each Judge, showing the approximate length in yards of each leg, major landmarks and boundaries, if any. The track is to be charted by a solid line and each Judge will mark with a broken line, the approximate course taken by the dog, then complete the data requested on the chart and sign each chart. A separate chart must be prepared in the same manner for each dog.

Each Judges shall mark a chart at the time the dog is tracking, so as to show the approximate course followed by the dog. The Judges shall sign his/her charts and show on each whether the dog passed or failed and whether all requirements of the TD or TDU, TDX or VST test were met.

Information on the chart shall also include the following: (See Sample Charts)

Dog's Catalog No.	Track No.	Total Yards
Total Yards Veg.	Total Yards Non-Vegetation	Passed/Failed
Articles	Breed/Sex	AKC Reg. No.
Ground Conditions	Time Tracklayer Started	
Obstacles/Surfaces	Time X-Tracklayer Started	
Dog's Starting Time	Dog's Finishing Time	
Weather Conditions	Wind Direction at the Start	

If a dog is not tracking, it shall not be marked "passed" even though it may have found the article(s).

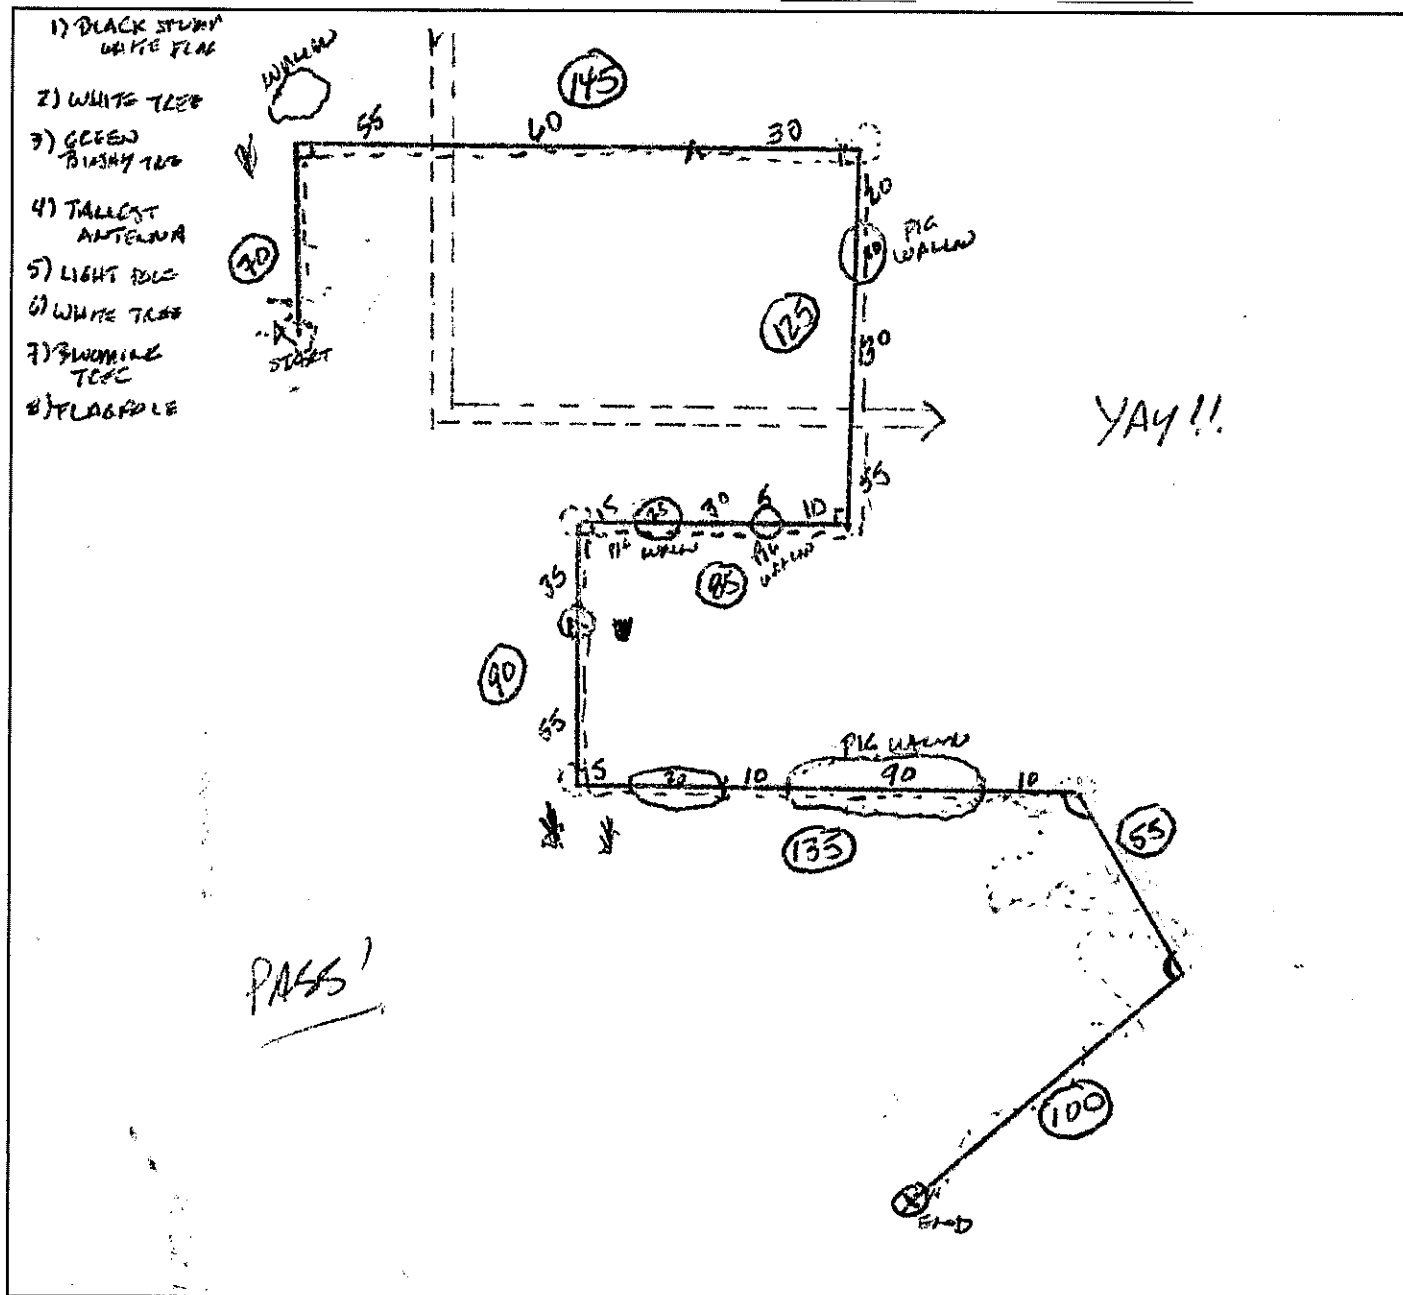

Upon completion of the test, the Tracking Secretary shall forward the marked copies of the charts to The American Kennel Club, and keep one set for the club files. Each Judge will retain a copy of all charts.
