Kamrin, Linda, and Folks,

Thanks for sending the judging schedule--- nice to have a full test and to give every team a chance to run. The weather should be good next weekend.

Regarding the tracklaying schedule on Saturday: Kamrin and I have talked about exploring the Evergreen campus either this Sunday, or on Monday morning. We would like to pre-plot two (or more?) tracks there. We haven't settled on a day yet, but I'm sure we will do that, one way or another.

So, assuming that we've pre-plotted at least two tracks at Evergreen, we could meet at 9:00 am there on Saturday and walk the tracklayers through their respective tracks--- maybe 30 minutes per track. Then we can go on to West Valley and plot the remaining tracks there--- I checked out West Valley a month ago and believe that the campus can accommodate two tracks.

I think 9:00 am on Saturday would work well, unless we hear differently from Kamrin.

Excited about the test,  
Anne Hershey

Anne/Kamrin,

Please find attached the judging schedule for PAFTA's VST test on Sunday, Dec. 5, 2021. I will try to have some granola/protein bars available for snacks on Saturday and Sunday for judges, and will be picking up sandwiches for lunch on Saturday. Please let me know if there is anything particular that you would like to have available, besides water. Starbucks is near for coffee in the morning.

What time did you want to start tracklaying on Saturday?

Terry - I'll send you the catalog info as soon as entrants have had time to review the entry info I just sent.

Regards,

Linda Knowles
