Dues renewal fees:

After January 1, 2023: Single membership (\$30), Family membership for **EACH PERSON** is \$20 (total of \$40)

On or after March 1, 2023: You must reapply for membership (do **NOT** send in a renewal form or dues)

IMPORTANT: If you cannot regularly attend PAFTA meetings, please consider renewing as an associate member. The benefits and dues are the same, but the membership is non-voting. If you already are an associate member, your membership will automatically be renewed as an associate, unless you request being added to the general membership. If you currently are a general member, your membership will automatically be renewed as a general member, unless you check the box below and agree to be an associate member. You can change your status during the year, if you would like (just let Kamrin know). If you are undergoing financial hardship and are concerned about paying dues, please reach out to Kamrin -- PAFTA may be able to help.

By checking this box, I agree to renew my PAFTA membership as an **Associate Member**.
